Experience

Design Coordinator (Youthopia 2019)
DIT UNIVERSITY
Oct 2019 - Nov 2019 (2 months)

Summer Intern
DROR
May 2019 - Jul 2019 (3 months)
Worked as a UI/UX Developer at DROR Labs, designing Android/iOS application as an intern.

My work as a UX Developer consisted of designing and developing fluid, consistent and user friendly UI, application and UX Workflow for multiple modules, as well as initial on boarding screens for the DROR Safety App available on Android and iOS.

Team Member
AIESEC
Sep 2018 - Jan 2019 (5 months)
Worked with different NGOs to create opportunities for Incoming Global Volunteers working in Dehradun.
